ManCAN™ Soil

ManCAN Soil CN Compatible is a soil-applied liquid nutrient formulated to be compatible with calcium nitrate and calcium ammonium nitrate, including CN-9 and CAN-17.

DIRECTIONS FOR USE

For best results, use watered-in applications. May be applied via irrigation system or prior to irrigation. Apply enough water to move the product into the area of active rooting, but not excessive amounts that may leach. Use the higher label rates with surface and flood irrigation. Shake well and/or agitate before each use. DO NOT mix with other products in concentrated form without first adding water. Recommended mixing sequence: water, adjuvants, pesticides, FBSciences nutrient products, other fertilizers, balance of water while agitating. A standard jar test is recommended before tank mixing.

RATES & TIMING FOR ALL CROPS

For **Orchards & Vineyards** apply **1-8 quarts/acre** any time during growing season; repeat as needed.

For **All Other Crops** apply **1-4 quarts/acre** any time during growing season; repeat as needed.

INSTRUCCIONES DE USO

Para obtener mejores resultados, usar aplicaciones por medio del riego. Puede aplicarse a través del sistema de riego o antes del riego. Aplicar suficiente agua para mover el producto al área de enraizamiento activo, pero no en cantidades excesivas que puedan filtrarse. Usar las dosis de etiqueta más altas con riego de superficie e inundación. Agitar bien y / o agitar antes de cada uso. NO mezclar con otros productos en forma concentrada sin antes agregar agua. Secuencia de mezcla recomendada: agua, adyuvantes, pesticidas, productos nutritivos de FBSciences, otros fertilizantes, balance de agua mientras se agita. Se recomienda una prueba de jarra estándar antes de mezclar en el tanque.

TASAS Y MOMENTO PARA TODOS LOS CULTIVOS

Para **Huertos y Viñedos**, aplicar de **1-8 cuartos de galón/acre** en cualquier momento durante la temporada de crecimiento; Repetir según sea necesario.

Para **todos los demás cultivos**, aplicar de **1-4 cuartos de galón/acre** en cualquier momento durante la temporada de crecimiento; Repetir según sea necesario.

DANGER/PELIGRO

READ ENTIRE LABEL BEFORE USE | KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS Causes severe skin burns and eye damage. Causes serious eye damage.

DECLARACIONES DE PELIGRO Causa quemaduras graves en la piel y lesiones oculares. Provoca lesiones oculares graves.

PRECAUTIONARY STATEMENTS Do not breathe mist/vapors/spray. Wash hands thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Take off immediately all contaminated clothing. Rinse skin with water/shower. **IF INHALED:**

Remove person to fresh air and keep comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor. Wash contaminated clothing before reuse. Store locked up. Dispose of contents/container to comply with local, state, and federal regulations.
